**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 27 You shall have no contact with any child under the age of 18, without the presence of an adult and approved in advance by the supervising probation officer. You shall immediately report any unauthorized contact with minor-aged children to the supervising probation officer.

**CAUSE**

Recent contact with the sex offender therapist and offender suggest that the above-mentioned modification is appropriate. Brett Hellenberg commenced a three-year term of supervised release on August 7, 2006, in the Eastern District of Washington.

In September 2006, a psychosexual evaluation on the above-named individual was prepared by Bryan Stanfill. Both the offender and provider concurred that treatment is necessary to address his ongoing needs. At the time of sentencing, the Court imposed sexual deviancy therapy and mental health counseling. Essentially, the condition as outlined above will augment probation's efforts to minimize any potential risk to individuals in the community.

Mr. Hellenberg was asked and he signed the attached waiver of hearing and is in agreement to modify his conditions of supervision if the Court is inclined to do so. It is noted that the offender's defense counsel, Dutch Wetzell, was also consulted by the undersigned officer.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervision be adopted, requiring Brett Hellenberg to adhere to the added special condition of his supervision.
